Notes: Miss Betty welcomes you to stay at her new location, Winchester Run! Long term rates for our 2-bed units are \$50/day for families and \$60.00/day for 2 students. All short term rates include a free rental car from Enterprise. New hire Air Traffic students are encouraged to call to get a special rate that applies to new hire air traffic only. Long term students can rent a vehicle for \$15/day. All rooms come with expanded cable TV (approximately 70 channels), individual high speed internet connections via a cable modem, and are fully furnished from bedding to kitchenware. We offer an in-ground swimming pool to cool off in the summer and covered parking (limited) to protect your vehicle from Oklahoma's ice storms and hail storms. Weekly linen exchange and loaner vacuum cleaners are available. You will find Winchester Run to have plenty of parking and our proximity to the FAA Academy (convenient location for "back gate" entrance) to be one of the many reasons to choose us for your next stay. We are located in a very nice part of town between a large church, a Masonic Lodge, and a new Oklahoma City Police Sub-Station office; we are also conveniently located near theaters, shopping and eating establishments. All rooms come with a ceiling fan, microwave, dishwasher, individual a/c & heat, and private exterior storage closets. Our washer/dryer project is coming along as we now have them installed in 40 units now. We have many additional projects that will be underway soon including additional covered parking, kid's playground, courtesy car for shopping, and more! We welcome your suggestions on any amenity or feature you'd like at Winchester Run. You won't want to miss out on the weekly home cooked meal every Thursday at the office. When you arrive, ask Miss Betty about our beer and golf course coupons! There are three athletic gyms that are very close, including a free one that offers two indoor basketball courts with an overhead walking track, four racquetball courts, and a very nice workout room. We would love to have you stay with us! **Call for availability at 405-631-2495.**
